When you see our name on a Directory you may be sure of these four things

1st.—Every effort has been made to secure accurate information.
(We employ men of experience and ability and insist on accuracy)

2nd—The price of the book is as low as the cost of production and a reasonable profit will allow.
(Compare prices with those of other directories from all over the country)

3rd—The Advertising Department is a fair representation of the best business houses of the city.
(A glance over the advertising section will prove this statement)

4th—The Advertiser gets more for his money than from nearly any other publication.
(Our representative will gladly show you why)

Williams says:

The satisfaction of quality and service remains long after the price is forgotten

Turn your Tire Troubles into smiles with Kelly-Springfield Tires. Buy real "Honest to Goodness" Tires to increase the pleasure of motoring and reduce your mileage cost.

Figure the cost of your tires by the mileage, not by the price, then you'll see the economy of Good Tires rather than cheap ones. True economy is in paying the price of Quality. Get tires that go the distance you expect and a little more. That's true economy. We offer you the best "Hundred Cents on the Dollar" proposition.

THE BANK FOR YOUR SAVINGS

The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

Open your account today with $1.00 or more

An Undying Record of Your Business

In a recent law suit involving many thousands of dollars the records of the Boston City Directories of 1870, 1871 and 1872 were accepted as reliable evidence. Such evidence is continually being quoted in important suits. How necessary that proper care should be used by responsible members of the firm that a record having such possibilities should be absolutely correct. It costs but a trifle to insert a card each year giving all the details and on such a record may hinge in future the disposal of a fortune.

NO WONDER YOUR MAIL COMES BACK

You probably have been using that same old mailing list ever since you started business. Have you ever figured the cost to you in wasted postage, time and labor due to economy (?) in your mailing list appropriation?

The lists made for you personally by the List and Letter Service Department are compiled from the very latest sources of information and have as little "dead wood" as it is possible for a list to contain. No list can be absolutely perfect, but these come pretty close. Just state the kind you wish and the section to be covered and we will gladly quote you prices.

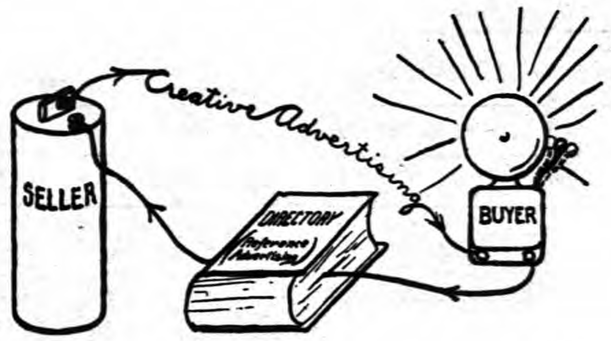
The Return Circuit in Advertising



The circuit must be completed before the bell will ring
The Buyer must find the Seller before a Sale is made

Creative Advertising;—in newspapers, magazines, billboards, etc. tends to suggest wants and to create desire.

Before a sale results the initiative must pass from Seller to Buyer.

When this happens the Buyer begins actively to seek where he can best supply his wants.

This Directory is a logical place to look (at least our subscribers tell us they use it for this purpose) and the Reference Advertising herein has assisted many sales.

Have you made it easy for buyers' to find ***You?***

TROY STREET DIRECTORY

COPYRIGHT, 1918, SAMPSON & MURDOCK CO., INC.

Giving the name of each street and showing what other streets and places run from it or across it, with the number at which they intersect.

From this list the location of any number on a street can be easily ascertained; as for instance, wishing to know at what part of Second street No. 168 comes, look at Second street, and it is found that Liberty street crosses at 156, Washington street at 178, showing that 168 Second street would come half way between Liberty and Washington streets.

Ciphers are substituted for numbers on streets not fully numbered.

The Home of Good Directories

The City Directory has become a universal necessity in looking up new prospects, in purchasing supplies, and in marketing products. Our experience of seventy years—our reputation for accuracy, our large force of experienced help and our complete equipment for the work, all guarantee the best in directory compilation. Don't forget that directory advertising supplements and rounds out all your other advertising by giving the most explicit directions how to find you.

Put—"We are listed in the Directory" in all your advertising copy. addresses are often forgotten or mislaid, though the name is remembered. The firm that is properly registered in all branches of its industry is wise.

Addressing the right people in the search for new business means a saving of Time, Postage, Labor, Guess Work, Stationery; and results in more profits to you. You want your mailing lists accurate,—That's the kind we make. Ask us to tell you about this branch of our business.

COHOES POWER & LIGHT CORPORATION

SUCCESSORS TO

Cohoes Gas Lighting Co. and Cohoes Co.

Office, North Mohawk Street

This Company owns the entire water power of the Mohawk River, embracing the celebrated Cohoes Falls, near which they have recently erected a hydro-electric generating station of 30,000 H. P. capacity, to supply power consumers in the surrounding territory.

It also operates a gas plant, supplying gas to the City of Cohoes, for which the city is well piped.

Electric lines for power and light cover the city. Consumers' rates are low and favorable contracts are made for power. The Company is progressive and offers favorable inducements to parties desiring to locate.

The top rung

In any business is only reached by those who use every means to reach the people.

People can find you easily if your name is in large type under every heading where they would look for you, and if your ad is in this section it will be seen by those who want to buy.

YOUR NEWSPAPER

¶ It should be, first of all a Newspaper in every sense of the word. An organ that gives all the news in time.

¶ It should be a family paper, fit for the oldest or the youngest.

¶ It should be sane, conservative, loyal, truthful, and intensely local.

The Cohoes Republican

has all of these attributes and then some more.

Ask your newsdealer for it

If You Want To Know What Newspaper in Cohoes is the Best, Ask any Merchant in Cohoes

Since the paper changed hands on December 1, 1915, the Cohoes Dispatch has gained the confidence of the entire community. The amount of advertising it carries has more than doubled, and its circulation has increased by leaps and bounds. The Dispatch is popular because it prints all the local news in attractive, readable form; it has no party affiliations and for this reason it treats all public questions with absolute impartiality. Accuracy is its cardinal aim.
